MESSAGE:

Please deliver immediately.

As per our discussion this afternoon, please find copies of (1) Japanese Patent Bulletin 165148 together with translation; (2) Japanese Application Utility Model 1-95538 together with translation; and (3) German Patent No. 195 20 508 together with translation.

As I indicated, we will also file a Supplemental IDS identifying U.S. Publication No. US2003/0104886 published June 5, 2003, Application No. 10/294,933.

I'll see you at 1:00 pm on March 16.

The documents accompanying this facsimile transmittal cover sheet contain information from the law firm of Fitch, Even, Tabin & Flannery which may be confidential and/or legally privileged. The documents are intended only for the personal and confidential use of the addressee identified above. If you are not the intended recipient or an agent responsible for delivering these documents to the intended recipient, you are hereby notified that any review, disclosure, copying, distribution or the taking of any action in reliance on the contents of this transmitted information is strictly prohibited. If you have received this facsimile in error, please immediately notify the Firm so that we can arrange for the return of the original documents to us. Thank you.
